

Dear MO and RIG Delegates

A final update from the 2016-2020 Executive Committee before the 2020 General Meeting.

1. Running a General Meeting virtually is a new experience for all of us and we have planned the event and for any eventualities as best we can. Please note that the General Meeting will be divided over two sessions. We will use GoToMeeting that the vast majority of our members are familiar with and the two sessions will each last for about 90 minutes and we will do our best to stick to the time allocated:
  - a. Session 1 on 5/6 October 2020 will be attended by the EC and SC, WCPT Representative, and Voting MO Delegates only and in that session, we will conduct the matters requiring membership participation and votes and decisions. With roughly 40 people in attendance, it will take some military precision to conduct the voting and make sure the members can have their say.
  - b. Session 2 on 8/9 October 2020 will be attended by a much larger audience made up of the attendees from Session 1, plus the RIG Delegates, Advisory Group and Task Force members, award recipients and other invited guests. In this meeting, we are expecting up to 120 participants. The session will cover various aspects and will celebrate the contributions made by many volunteers over the past four years. Please keep your cameras off and microphones muted during the meeting to ensure everybody can follow the discussions.
2. The documentation for the General Meeting is available in the Drop Box folder shared with all attendees and will be regarded as read, so please make sure to allocate some time to prepare before the meetings. If you are not able to access the documentation, please urgently contact the office.

3. A big thank you to all the Advisory Group and Task Force members who have spent many hours on IFOMPT business over the past four years. It has been a joint effort by so many members of the IFOMPT family and it is great to see how this initiative has shaped IFOMPT.
4. The changing of the guard for the Standards Committee will happen at the second session of the General Meeting – a big thank you to the outgoing committee and welcome to the new committee that will continue the good work.
5. The updated IFOMPT website is ready and has gone live over the past few days. Thank you to the team of volunteers who have worked on this all year. Please have a look and provide feedback to the team by the end of October – this is a collective effort and the entire IFOMPT family will make up the group that will test OUR site.
6. The election of the new Executive Committee took place over the past 2 weeks and the result will be announced at the first session of the General Meeting. Thank you to all the candidates who put their names forward and good luck to the new committee.

Finally, thank you for your support and enthusiasm over the past four years. It has been a pleasure serving as your EC.

IFOMPT Executive Committee

1 October 2020
