

## IFOMPT BASEL 2024 Competition - Rules

---

**Eligibility:** The competition is open to all registered physiotherapists/physical therapists and physiotherapy students from anywhere in the world.

**Theme:** The theme of the competition is "50 years in 50 seconds, celebrating 50 years of IFOMPT excellence". Participants must adhere to this theme in their video submissions.

**Video Entry:** All submissions must be in the form of a video. Participants should create a video that showcases 50 years of IFOMPT excellence within a time limit of 50 seconds.

**Original Content:** All video entries must be original works created by the participants. Plagiarism or the use of copyrighted material without proper permission will lead to disqualification.

**Competition Period:** The competition will be conducted from July 31, 2023, to February 29, 2024.

**Competition Launch:** The competition will officially launch on July 31, 2023.

**Prizes:** The competition offers three conference registrations to attend the IFOMPT 2024 Conference in Basel. These prizes do not cover accommodation, travel, food, beverages, or any other expenses incurred by conference participants. The prizes are non-transferable and cannot be exchanged for monetary compensation.

**Submission Guidelines:** Participants must follow the submission guidelines provided on the official IFOMPT website ([www.ifompt.org](http://www.ifompt.org)). These guidelines will include details on format, size, and method of submission.

**Entry Deadline - Round 1:** To be considered for the first conference registration prize, participants must submit their entries on or before September 29, 2023.

**Entry Deadline - Round 2:** To be considered for the second conference registration prize, participants must submit their entries on or before December 1, 2023.

**Entry Deadline - Round 3:** To be considered for the third conference registration prize, participants must submit their entries on or before February 22, 2024.

**Judging Panel:** A judging panel appointed by IFOMPT will evaluate all video entries based on specific criteria.

**Judging Criteria:** Entries will be judged based on the following criteria:

Meeting all entry requirements.

Audio/Visual (Usability) quality.

Freshness of the idea and creativity.

Capturing the competition theme effectively.

Compelling presentation, performance, or message.

Attention to detail, including production, props, location, etc.

Scoring: Each entry will be independently scored by the judging panel based on the above criteria. The total score for each entry will be out of 40 points.

**Winner Announcement - Round 1:** The winner of the first conference registration prize will be announced on October 6, 2023.

**Winner Announcement - Round 2:** The winner of the second conference registration prize will be announced on December 8, 2023.

**Winner Announcement - Round 3:** The winner of the third conference registration prize will be announced on February 29, 2024.

**Ethical Standards:** Participants must adhere to the highest ethical standards in their submissions, ensuring that all content is respectful, professional, and does not violate any confidentiality or privacy agreements.

**Disqualification:** IFOMPT reserves the right to disqualify any entry that violates the competition rules or IFOMPT's Code of Conduct.

**Rights and Usage:** By participating in the competition, entrants grant IFOMPT the right to use and share their videos for marketing, promotional, and educational purposes, with proper attribution.

**Conduct Guidelines:** Participants must exhibit respectful and professional behaviour throughout the competition process. Any instances of misconduct may lead to disqualification.

**Decision Finality:** All decisions made by IFOMPT or the judging panel regarding the competition are final and binding.

By entering the IFOMPT BASEL 2024 Competition, all participants agree to comply with these rules and regulations. The competition aims to celebrate and showcase the excellence of IFOMPT over the last 50 years and encourage creativity and innovation among physiotherapists worldwide.
